Dear ~~Mathewine~~ Catherine,

Thank you for letting my troop go dog sledding. I had no idea that dog sledding was a real thing. I thought dog sledding was something on cartoons. The dogs are so CUTE!!!

Dear Catherine,

thank you for allowing me and my troop to go dog sledding. My favorite part of the trip was meeting and petting each dog. I really appreciate the hard work it took to set up the dogs and such, thanks again. ♥
